Re: Permit Review Status, County Canyon Mine, M/023/024, Juab County, Utah

Dear Mr. Crutchfield:

On December 31, 1996, the Division received Ash Grove Cement Company's plan amendment for the County Canyon mine. Due to a backlog of other permit reviews, the Division will not be able to complete a review of this within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

A handwritten signature in cursive script that reads "Tom Munson".
